

CK9-SAS Dog Trials

Level 2 Obedience Exercise. Everything is performed off lead.

No 1. Handler will walk forward with the dog heeling by their side.

MAX 5 POINTS

No 2. Slow walk to quick jog (maximum points if the handler can jog) and back to normal walk with the dog heeling in correct position.

MAX 6 POINTS

No 3. On command the handler stops. The dog remains by the handlers side (the dog can remain standing, sitting or in a drop position). The handler will walk forward 8meters, turn and face the dog and on given command change the position of the dog. For example from standing to sitting, from sitting to drop position.

MAX 5 POINTS

No 4. Dog will heel in a figure eight (twice at normal walk speed).

MAX 5 POINTS

No 5. On command the handler will tell the dog to stay while the handler continues forward. EXTRA 1 POINT GIVEN IF THE HANDLER DOES NOT BREAK STRIDE AND THE DOG REMAINS. The handler will come to a stop 10 meters away from his dog and face his dog.

MAX 6 POINTS

No 6. On command the handler will recall the dog half way (a markers will indicate the area where the dog has to stop).

MAX 5 POINTS

No 7. Handler recalls the dog to the heel side.

MAX 3 POINTS

MAX 35 POINTS
